¹ I had hoped to arrange a visit to the church of Santo Agostinho at Marvila. (This is the conventual church of Syon's daughter house of Marvila, founded for Portuguese nuns in 1660.) This has proved not to be possible, but the church will be open for mass of the day at 9.30 today, or on Thursday morning, if you are interested. It is about 1 km from the Tile Museum. See <https://paroquiamarvila.wordpress.com/contactos/> for location.
